# STUDENT PLEDGE FORM

My goal is to read \_\_\_\_\_ 10-minute blocks of time during this read-a-thon.  
*For our younger students being read to counts! ALL READING!*

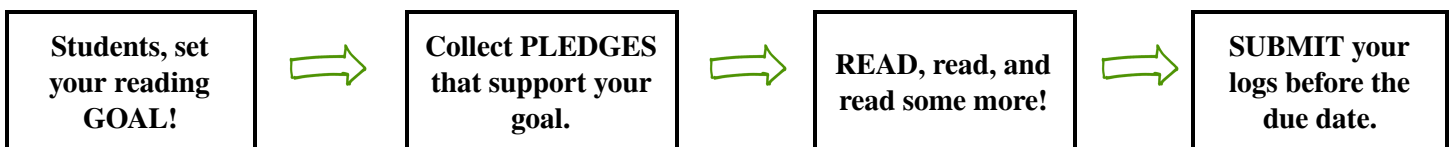

The Turner Creek Elementary PTA is changing our fall fundraiser to a **READaTHON** that will be run **completely in house!!! That means that 100% of the money raised will stay at Turner Creek!** The purpose of this event is to encourage our students to develop a lifelong love of reading while raising money to support our school. Each student has taken the first step by writing down their reading goal over a 7 day time period. You choose which 7 days! We are looking for your support to help them make the “Leap into Reading” a success by collecting flat pledge amounts from family and friends to support our students' goals.

*100% of the money received during this event will go back to the school to purchase new technology, educational software, and classroom support. Please help support our students as we strive to reach our goal of \$40,000.*
